OUR COMMUNITY

APRIL 16 - 27, 2018

Change our Community is a campaign that was created by Café 233 to provide support to families in need in our community. This campaign helps many families in Olathe that are struggling financially due to lay-offs, pay cuts, medical expenses and increased prices. Several of these families are still above the income level required to receive meal assistance at school. This campaign funds the Families in Need accounts at your school. This account is available to cover the cost of meals for students who don't meet the requirements for free or reduced meals. All money raised at your school stays at your school. If each student in the district gave a quarter, we would raise \$7554.75!
